THE GREENER BODYSHOP AWARDS 2025

WE ARE EXCITED TO WELCOME YOU TO THE GREENER BODYSHOP AWARDS 2025!

We're looking forward to having you join us at the Coventry Building Society Arena on September 18th for what is set to be our biggest event to date! With over 400 people attending and a record number of entries - we're looking forward to celebrating sustainable excellence across the industry.

First and foremost, we would like to extend our heartfelt thanks to all those who were nominated for these prestigious awards. Your commitment to innovation and sustainability is what drives our industry forward, and we are truly inspired by the dedication each of you has shown.

A special congratulations to the finalists in each category. Your hard work, creativity, and leadership have set new benchmarks for excellence, and we are honoured to recognise your achievements.

We would also like to express our deep gratitude to the sponsors of this event. Your support has been invaluable in making this evening possible and in helping to highlight the important work being done across the body repair sector.

Finally, thank you all for joining us to celebrate the progress we are making together. We hope you have a great evening—so please, relax, enjoy the night, and join us in celebrating the remarkable strides our industry is taking toward a greener, more sustainable future.

Martyn Rowley
Executive Director
NBRA & VBRA

Departure

UK and Ireland

Proud Sponsor of the NBRA Greener Bodyshop Awards 2025

As the leading parts, technical and training provider for the collision repair sector in the UK and Ireland, we are delighted to sponsor this year's NBRA Greener Bodyshop Awards.

LKQ Bodyshop shares the NBRA's ambition to drive a more sustainable future for the automotive repair industry. We are committed to helping our bodyshop partners achieve profitable growth through greener ways of working.

Here are some of the ways we support our customers:

LKQ Academy and
sustainability
training courses

Strong partnerships
with major suppliers
and manufacturers

Alternative products,
processes and
equipment solutions

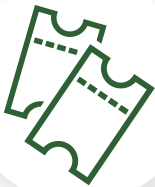

Specialised support
for independent and
group customers

We wish all the award nominees the best of luck and thank you for your commitment in creating a more sustainable future for our industry.

DRESS CODE:

Party Wear/Smart Casual

We will be hosting a charity
RAFFLE for VISION FOR ALL.

Working Towards ARIES?

We Can Help

Our Energy Management & Sustainability division, **Driving Net Zero**, has been supporting bodyshops since 2021, helping them reduce energy use, cut emissions and meet key industry standards like PAS 2060.

Now we're doing the same with ARIES

We support bodyshops with:

- Guidance through each level of the framework
- Practical advice and ideas to reduce costs and emissions
- Energy management software to monitor and reduce usage
- Independent site auditing to verify compliance

Helping Shape the Future of Bodyshop Sustainability

Purchase Direct are part of the ARIES Governance Advisory Group, meaning we're not just helping bodyshops work towards ARIES, but we're also helping shape it.

**Talk to us about cutting energy use
and meeting the ARIES standard.**

**MIRKA**

Sustainable Manufacturing

Mirka is committed to sustainable product design principles, minimising the environmental impact of products, reducing waste and promoting circularity.

Mirka works with customers to achieve sustainability goals, helping to reduce energy, reduce waste, employ more efficient practices and create a healthier working environment.

To find out how Mirka can help you achieve your sustainability targets, please contact
Customer Services on 01908 866100.

Dedicated to the finish.

DEEP DIVE INTO YOUR DATA

We're on a mission to create a more digitalised crash repair industry. The ability to access and utilise actionable insights has never been more critical to our customers.

AutoFlow's innovative new analytics tool is transforming the way bodyshops view, interpret, and leverage data, offering a flexible and future-ready platform that adapts to the needs of bodyshops and groups of all sizes.

At the core of this solution lies a commitment to delivering clarity, precision and control. AutoFlow's Analytics intuitive suite of dashboards provides a comprehensive view of operational performance, providing meaningful insights, whether it's monitoring sales, K2K and cycle times, tracking parts procurement efficiency or analysing technician productivity – all in real-time.

Interact. Engage. Improve.

This is more than just analytics; it's a step towards the future of bodyshop management.

With a focus on customisation, advanced filtering, seamless reporting, and controlled access, AutoFlow's tool provides clarity and precision where it's needed most. In a competitive marketplace, it is empowering bodyshops to make smarter decisions, reduce downtime, and drive sustained growth.

For more information get in touch with our sales team, and see how AutoFlow Analytics can help your bodyshop.
